2017 Treasurer's report commentary

The formal report is attached and the following commentary provides additional context:

1. The balance sheet has improved by approximately £3,800 from 2016 to 2017. This is largely due to the large donations provided from On Broadway and the Funfair on the back of the festival
2. Without the two large donations noted above the groups expenses would have roughly mirrored the income over the year
3. The donations from Tesco have been allocated as per the agreement and mainly contributed to the notice boards
4. The donation from the Enfield Society specifically covered the costs of the large notice board in the park
5. The specific spending commitments made as part of the crowdfunding project have been honoured
